ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current members of either Learn to Skate USA and/or those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be a current registered member of Learn to Skate USA or a full member of U.S. Figure Skating. There will be no more than six competitors maximum in an event, and all six should receive an award.

ELIGIBILITY AND TEST REQUIREMENTS:

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic 1-6 skaters must skate at highest level passed or one level higher, and NO official U.S. Figure Skating tests may have been passed, including moves in the field or individual dances.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well-Balanced, Adult and Adaptive levels, eligibility will be based only upon highest badge level or free skate test level passed. Skate United skaters have the option to compete in the standard track or Skate United track; accommodations may be made upon request. Special Olympics events are for skaters with intellectual disabilities. Skate United events are for skaters with physical disabilities. Adaptive events are for skaters with any type of disability. Moves in the field test level will not determine a skater's competitive level. Skaters may skate at highest level passed OR one level higher but not both levels in the same event during the same competition. **For Synchronized Skating eligibility and requirements refer to the Synchronized Skating page. **

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the local organizing committee (LOC) discovers that a skater has been placed in a category below his/her badge or test level, the chair and referee will have the option to move the skater into the proper level, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

ELIGIBILITY RULES FOR COACHES/INSTRUCTORS

When hosting a Compete USA competition, it is important that you verify the compliance of each coach/instructor who plans to coach onsite at the event.

For credentials at a Compete USA event, coaches/instructors are required to have:

- Learn to Skate USA instructor compliant
- OR
- U.S. Figure Skating coach compliant

If a coach/instructor attempts to work at your event without the proper credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action.

All officials and adult volunteers attending Compete USA events must also be SafeSport Trained™
